

Spring Flower Show Will Be Held Today

EVERY RESIDENT OF NARBERTH AND VICINITY INVITED TO ENTER
EXHIBITS—NO ENTRANCE FEE—NO ADMISSION CHARGE.
SPECIAL PRIZES FOR CHILDREN'S EXHIBITS.

FLOWERS FOR SALE. SEEDS FOR SALE. REFRESHMENTS FOR SALE

Exhibits open to anyone who has been able to grow any of the flowers listed in another column, may enter them for exhibition, provided they are delivered at the Y. M. C. A. Building on the second floor, between 11 A. M. and 1 P. M. to-day.

Judges will select the prize winners between 1.30 and 3 o'clock, at which time the complete exhibit will be opened to the public.

The following well-known authorities on flowers have consented to act as Judges:

Mr. Fred J. Michell, Jr., of Henry F. Michell & Co.
Mr. Mendelson S. Meehan, of Thomas Meehan & Sons.
Mr. Samuel Newman Baxter, of Horticultural Hall, Fairmount Park.

Please bring your own vases or containers to exhibit the flowers and also attach a ticket giving the exhibitor's name and the number of the class for which the exhibit is intended.

This year elaborate plans are being made to decorate the entire second floor at the Y. M. C. A. Building, and in addition to the Show itself, to have a "get-together" party for all those who are interested in growing flowers and for those who like to come and admire them.

Seasonable refreshments will be served by the ladies of the committee, assisted by their many aides, and in addition to this there will be seeds and cut flowers for sale, as well as candy and other things of interest to the children and grown-ups, too.

Mrs. James G. Foote is general chairman of the committee and will appreciate any assistance that can be given to help make the show a bigger success.

In the past years the children's exhibits of wild flowers has been one of the most prominent features of the Show, and this year there will be prizes given of War Savings Stamps and Thrift Stamps for the four best arranged vases or baskets of wild flowers. There will be two classes, one for children between the ages of 5 and 10, and one class for those between the ages of 10 and 15.

It is specially requested that the parents and teachers have the children make exhibits of well arranged collections of wild flowers, and we are sure that the prizes will be more than worth while.

We are sure all the old residents of Narberth will exhibit and attend the Flower Show, as they know from past experience that it has been worth while and should be better than ever this year.

New residents in town should at least attend the show, and if at all possible bring their flowers properly marked for exhibit and get acquainted.

The Committees.

Editorial

The delightful weather of the past two weeks has worked miracles in our flower and vegetable gardens. The promise of a fine yield from the latter is very encouraging. As for the flower gardens, they are superb. It would be invidious to mention any in particular, as all are so beautiful. This Saturday afternoon, many blooms will be exhibited in friendly rivalry at our annual Flower Show. A large attendance is anticipated.

Our soldier and sailor boys are rapidly returning to their homes. Many households have been gladdened by the safe return of their loved ones, who offered themselves so freely in defense of their country. The highest praise is due this fine body of men. We congratulate them and their families on their safe return. We share with their immediate families their pride in the splendid spirit of patriotism that inspired these boys to offer themselves on the altar of their country. Their names will ever shine on the roll of honor.

Building operations have been actively resumed in Narberth. Quite a large number of very attractive homes are under way to meet the strong demand for suburban homes. Many of them are of moderate size, to meet the conditions that make the securing of domestic help so difficult, and to accommodate the many young couples who are looking for just that class of houses. Narberth, with its excellent train service and many other attractions, is one of the

most popular suburbs of Philadelphia. Our population, which has just about quadrupled during the past fifteen years, is increasing at a rapid rate. These new houses will be rapidly sold, and quick action on the part of intending purchasers is necessary.

Plans are under way to greatly increase the activities and usefulness of our Y. M. C. A. The realization of these plans depends on a liberal support from the entire community. Hitherto, a comparatively small number of progressive citizens have borne the burden, with the result that its activities have been restricted. The new plans contemplate many new attractions; among other items may be mentioned a swimming pool and increased game room facilities. We hope there will be a spontaneous response to the appeals for increased membership which are being made every week in the columns of Our Town. The quicker the membership is increased, the sooner will the proposed improvements be made possible.

A SAILORS' WELCOME.

On Tuesday evening, June 3rd, twenty sailors from the Philadelphia Navy Yard were entertained at the Narberth Methodist Church by young ladies of the church and a few older people as chaperons. The pastor, Mr. Gray, in his Y. M. C. A. uniform, met them at Broad Street Station and brought them by train to the church. Delightful games were in charge of Mr. and Mrs. Bowen, and the good refreshments were served by Mrs. Ward, Mrs. George M. Davis, Mrs. Barclay, Mrs. Clegg, Mrs. Titus and others.

Everyone had a very happy time, and we were glad to furnish this pleasant evening to these sailors who came from all parts of our country, including Nome, Alaska.

Music and Mirth at Y.M.C.A. Meeting

MR. AND MRS. KREAMER TAKE CAKE DESPITE THE HOT WEATHER.

One of the main features of the Y. M. C. A. Auxiliary and Directors' Social, held last Monday evening, was the "cake walk" game. A finely iced cake was the prize to be given to the couple whose agility prevented their being caught in the circle when the music stopped. One by one the various couples dropped out until finally the endurance and quickness of Mr. and Mrs. Charles E. Kreamer won out and they were given the cake.

A duet by Mr. and Mrs. Stanley and solos by Mrs. Barclay and Mrs. Smith, of Philadelphia, constituted the musical program, which would certainly bear repeating. Mrs. Smith asked the audience to join with her in two choruses, and as a result many prospective voices were discovered among the Directors. Then there was a novelty musical number that deserves a place on all future programs. Mr. Charles L. Clegg, one of our most active and versatile townsmen, appeared in a new role. Being called on, without previous notice, to play his harmonica (which Mrs. Clegg had smuggled in), he entertained with two fine selections. Who is your booking agent, Mr. Clegg?

The recitation, without which no entertainment is complete, was a comic one, rendered by Mrs. George Merritt

Davis. Everybody was thoroughly shaken up by laughter before Mrs. Davis finished. Mrs. Davis was also the chairlady of the committee which arranged the entire program.

Mrs. Clarence L. Smith headed the committee which furnished the refreshments and she and her aides were surely welcomed when they served just the right things for a hot night. We feel compelled to note here that Mr. Thomas Trotter was seen to change his seat several times as the ladies passed around the room with pitchers, etc. Nobody can blame you, Mr. Trotter. Many others were inclined to do the same thing.

It is the sincere hope of all who have been privileged to attend these gatherings that next fall will see a resumption of the social period following the regular Directors and Auxiliary meetings.

To the Women of the Victory Loan Committee of Narberth.
My Dear Co-Workers:

I wish to take this opportunity to thank you one and all for your splendid efforts, your untiring and unselfish co-operation in helping to make this Victory Loan a success.

Many of you have aided me on all previous loans in which women have participated, and to you I am many times grateful. It has been a splendid privilege to be associated with all of you, and it was with a great deal of pleasure and pride that I submitted, upon request, your names to be enrolled on the honor roll at Washington and to have you awarded the Victory Loan medals.

Again I thank you.

Cordially yours,
(MRS. C. P.) GEORGIA FOWLER.

Women's Community Club Notes

CLOSING SESSION HELD AT THE HOME OF MRS. ROBT. DOTHARD, WYNNEWOOD AVENUE.

The last meeting for the season 1918-1919 of the Women's Community Club was, owing to the generous hospitality of Mrs. Robert Dohard, held at her home on Tuesday, May 27th.

Each member was given a tag bearing her name and the new members of the year were given a little red cardboard baby to attach to their tag, that they might be the more readily distinguished from the older members. An informal reception was conducted by the new members and a large portion of the day's program was in the hands of these ladies giving them a more "homey" and get-together feeling in the organization.

Mrs. C. P. Fowler, President of the Club, made a few remarks, thanking in particular the Executive Board who had during the past two years of her administration given her such splendid unselfish co-operation, and stated that

no organization could fail with such a spirit predominating. She also extended her sincere thanks on down through the Club to every member who had in any way participated, even if no more than to give their good will and attendance, and in closing begged from all the continuation of this excellent feeling of good fellowship for the coming year.

The two new officers to succeed those who had retired owing to the expiration of their term were formally presented—Mrs. W. Anderson, Recording Secretary, and Mrs. Jessie Harris, Treasurer.

At the close of the business session the chorus of the Club, consisting of about twelve members, under the direction of Mrs. Joseph Barclay, chairman of music, gave their first exhibition of choral singing, responding to the vigorous encore with a delightful selection. The signal was then given and the members, numbering nearly fifty, retired to the lawn, where tables were spread with the many good things to eat.

The afternoon program was opened with the presentation of the medals given all members who aided in the Victory Loan. The German helmet given to the Club for its activities in this loan was also formally presented to the Club.

The surprise feature of the day was a request from the President for a speech from each new member.

The readiness, ability and assurance with which these ladies responded was very much to their credit and the substance of their complimentary remarks were very gratifying to those who had worked so diligently for the success of the organization.

Recitations by Mrs. Malette, a newly discovered artist of the Club, held the attention of her audience, who responded with vociferous applause.

Humorous personal experiences were given by Mrs. W. J. Mulholland and Mrs. Neal Anderson in her clever role as palmist lent much mirth and merriment to the occasion.

Other selections by the chorus were interspersed in the program.

Joint social Friday evening, the 20th, under the auspices of the Woman's Bible Class at the Super home on Montgomery avenue. This is the last social of the season, and the men are invited to come.

Plans have been made to send the President of our Baptist Young People's Union, Mr. George Stanley, to the Baptist Summer Assembly which meets at Collegeville August 25th to September 1st. In interest and attendance this year's work of this society has been very successful.

ed from France and is living at 210 Essex avenue. Mr. Roek is a brother of Mrs. M. Gilroy.

Sunday School workers can combine a pleasant vacation with preparation for better teaching at the Asbury Park School of Methods, July 9th to 16th. Information regarding same can be secured at our local Y. M. C. A.

The Y. M. C. A. Women's Auxiliary is going "full speed ahead" towards that new roof goal. The June Fete being planned for Saturday, June 14th, is sure to be a winner. Don't miss it! Better make a note of the date now!

Mr. Charles Myrick was brought to the home of his daughter, Mrs. Wm. S. Horner, last Saturday from the Jefferson Hospital. Mr. Myrick's many friends will be glad to know that he is slowly improving.

A garden party will be given by the Montgomery County Suffrage Association on Saturday, June 21st, at the home of Mrs. William H. Pugh, Jr., Cross Roads, Merion. Admission, including attractions, 50 cents.

The building next door to the Post Office is being renovated and equipped for the Merion Title and Trust Company, who will move their Narberth branch there upon completion of changes.

The regular monthly meeting of the Montgomery County Committee of the Pennsylvania Woman Suffrage Association will be held Wednesday, June 11, 10.30 A. M., at State Headquarters, 1606 Finance Building, Philadelphia.

A service that is different from the usual, getting away from monotony and keeping out of ruts, yet with a real Gospel message. Come, enjoy and be helped by it at the Baptist Church Sunday evening. Subject, "The Garden of God."

For plowing and fertilizing a plot of ground on Merion Road, donated by Miss Anne Thompson for Victory gardens, the Merion Civic Association has appropriated \$156. About thirty gardens on eight acres will be cultivated this year—ten more gardens than last year.

Will the person who removed two glass punch bowls from the Y. M. C. A. kitchen kindly return them at once? At this season of the year these bowls are in constant demand by the various organizations using the building which are greatly inconvenienced since their disappearance.

The rummage sale held by the Women's Auxiliary netted \$108.18. If there is any more stray rummage which you do not care to pack away, we will gladly store it in the Y. M. C. A. for sale in the fall, if you phone Narberth 1611-W.

Several of Narberth's young men have engaged in business recently. These young fellows can be seen about town during business hours, and it is an open secret that the older business men welcome them and are glad to encourage them in their early business careers.

Miss Mildred Harris, of North Narberth avenue, entertained at an informal dance on Thursday evening. The guests included: The Misses Jane Laird, Marian Haws, Augusta Witherow, Patricia Besson, Sarah Mahon, Ethelwyn Vandiver, Dorothy Graves, Sarah Batton, Marian Graham, Ethel Fallon, Katharine Thompson and Mrs. Lester Jefferies, Messrs. William Harris, Frank Winne, Lester Jefferies, Henry Howes, William Durbin, Howard McNeal, Charles McCarter, William Schofield, Leville Schofield, Fred Cliff, John Keator, Horace Smedley, Karl Scholz, Gordon Harris, Thomas Wharton, Lincoln Roat, Cooper Graham, Lou Simpson, Carr Bowman, Edward Aston.

PROPOSAL.

Bids will be received by the Committee on Highways and Sewers of the Borough of Narberth on June 9th for the necessary repairs to gutters in front of properties Nos. 100, 102, 101, 104, 106 and 114 Dudley avenue.

Specifications for the work and other information necessary can be secured at the office of Mr. Humphreys, Street Commissioner, Elm Hall, Narberth.

Committee on Highways and Sewers reserves the right to reject any and all bids.

WALTON M. WENTZ,
Chairman Committee on Highways and Sewers.

Experience is knowledge.

"The Object of this Association shall be to improve and beautify the Borough and vicinity; to assist and co-operate with the authorities in enforcing laws and ordinances relating thereto; to promote any project having for its purpose the betterment of the community as a whole; to provide a means of acquiring and disseminating information on any subject of general interest; and to foster and maintain a fraternal spirit among the people of our community." Dues for Voting Membership for one year, \$1.00. Every resident of Narberth and vicinity eligible.

For several years past there has been an unsightly spot on Wynnwood Road, at the foot of Woodside avenue. The place seemed to be used as a dumping ground, but all residents of that section should be glad to note that it has recently been eliminated and the plot planted in grass. The owners of the Shortridge Estate are to be thanked and complimented for the improvement, which is certainly appreciated by the people of Narberth.

The regular monthly meeting of the Civic Association was held in the Y. M. C. A. on Thursday evening, May 22. The minutes of the previous meeting were read and approved. The President appointed permanent committees for the year, as follows:

Membership—Chairman, Mrs. A. B. Ross; Miss M. J. Simpson, Mr. R. J. Edgar.

Sociability and Entertainment—Chairman, Mrs. C. P. Fowler; Mrs. J. C. Foote, Miss F. Schubel.

Speakers—Chairman, Mrs. C. W. Young, Mr. A. J. Loos, Mr. R. J. Dohard.

House Committee—Chairman, Mr. H. J. Edgar; Mrs. C. W. Young, Mr. Fred Walzer.

Special Committee for Reporting on Meetings of Council—Mr. F. A. Lananhan.

The meeting adjourned at 9.15, in order to make way for the General Committee meeting for the Flower Show to be held June 7.

Y. M. C. A. June Fete

On Saturday the 14th instant, a June fete will be held in the Y. M. C. A. Building from 2 o'clock until 10. This fete will be directed by the Women's Auxiliary and the revenue derived therefrom will increase the roof fund.

The admission will be free, but refreshments will be served at the nominal price of 25 cents.

At 2 o'clock in the afternoon there will be a sale of home baking, when all sorts of delicious things will be offered at popular prices.

In the evening an orchestra will be stationed on the balcony and it is hoped that we will have the pleasure of welcoming a large gathering.

Ice cream, cake, strawberries, lemonade, fans, flowers, etc., will be on sale.

Shingle Day June 14th

Saturday, June 14th, will be Shingle Day in our home town, and all day long shingles will be sold for the Y. M. C. A. roof. These shingles have one peculiar characteristic, they are all the same size and of the same quality and color, the only variation being in price, and you mothers and fathers of the sturdy

boys and girls who find so much fun in and around the Y. M. C. A., we wish to impress on you the fact that through the instrumentality of the Women's Auxiliary who is planning to put a new roof on the building and fill the cellar with coal, your boys will have a warm and dry play house six afternoons and evenings of every week next fall and winter.

Will you kindly give this thought careful consideration as you set the price on the shingle you will purchase from one of our courteous workers?

The roof will cost \$600. We already have \$250 in bank.

After purchasing a shingle, come over to the June fete in the Y. M. C. A. and enjoy a plate of cream with us. An orchestra will be stationed on the balcony all evening.

W. Arthur Cole Honored by His Fellow Poor Richardites

Our former fellow townsman was the guest of honor at a farewell and testimonial dinner Wednesday night at the Poor Richard Club, in Camae street, Philadelphia. Mr. Cole, who has been associated with the Wm. F. Fell Company as Director of Service for a number of years, is leaving Philadelphia in two weeks for New York to become general manager of "The Nation," one of the oldest and best known weekly publications in the country.

At the dinner Wednesday night many members of the Poor Richard Club paid their respects to Mr. Cole, and among the speakers were R. H. Durbin and R. E. Clark, both of Narberth, and the former contributed the following to a special Cole edition of Poor Richard's Almanack:

"COLES OF FIRE"

This isn't the first time I have had occasion to censure Arthur Cole. He lived in our village for several years, and just when everybody had settled down to the easy assurance that he could be depended upon to do the bulk of the work in any local progressive movement, he packed up and moved. Not content with that, he took his wife with him. So Narberth suffers an even greater loss than does the Club, for Mrs. Cole is just as brilliant, just as valuable a community booster and public-spirited citizen as Arthur is. And when I predict his continued and increasing success, I predict that her inspiration will be a very large factor in it.

New York has taken many of her best men from Philadelphia—a number of them from the Poor Richard Club (and perhaps because of that, survives!). Among these have been some of my most valued friends and some of the Club's most active members; but none of them is more sadly missed than we shall miss Arthur Cole.

He is a live wire—a bundle of live wires. A willing, tireless worker, always in the direct line of accomplishment. A loyal fighter for his Club, his town, his friends, his employer—a live Cole that starts a blaze that burns the rubbish and lights the way. Forgetful of self, and therefore absolutely honest in his fearless expression of his views.

As a former President of the Club, I owe him much for his loyal help, and I am sure the officers and every member have owed him much ever since.

I hate to see him leave, doggone him! but I am very anxious to have him think of me always as his admiring friend, and therefore wish for him the brilliant and successful career which I know he deserves.

Never sacrifice yourself for some one who does not appreciate your efforts.

If you know you are crooked—try and keep straight.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.
